- Description:** Please note that students are either All-Region or All-State, but not both. After the Region 4 auditions, selected students are invited for an All-State callback. Once the All-State Band roster has been finalized following the callback auditions, the students selected for All-State chairs forfeit their placement in the Region 4 Band, whereas students selected as All-State alternates retain their place in the Region 4 Band. When the All-State students have been removed from the Region 4 rosters, the Region Band final placements will be announced. There are then 2 Region 4 Bands at the Junior level – the Region 4 Symphonic Band and the Region 4 Concert Band. Students from both these bands will then participate in the All-Region Clinic. Information for the All-Region Clinic/Concert and All-State information will be distributed when it becomes available.
