

Cario Bands Program Private Instructors

Note: Students are not recommended to take lessons from someone who does not play that instrument as their major instrument. Just because someone offers lessons does not guarantee the quality of the lessons. If students take lessons through a music store, the instructor must be a professional player on the instrument they are instructing. The teachers below are high quality instructors, approved through Mr. Scott to offer instruction to our students. If you have another instructor, please provide that information to Mr. Scott, so that teacher may be considered for placement upon Cario's approved instructor list.
